## PROFESSIONAL OBJECTIVE

I am excited to learn and grow in the field of Frontend Development, where I can explore new technologies like React HTML, CSS ,Javascript and much more. I aim to apply my theoretical knowledge and learn continuously while working on challenging problem statements. I enjoy building products that address real-world gaps and make a meaningful impact on people's lives..

## SKILLS

- HTML
- CSS
- Javascript
- Tailwind CSS
- ReactJS
- Git & GitHub
- Bootstrap
- SQL
